ANDERSON KALEP AGUILAR CACHAY

One day the police made me scared me because they thought my cousins and I had drugs, but that was illogical because we were thirteen years old, right now I don't see why they did it, but I think they wanted to make my mother give them money. This year when I went on the market I did not wear a double mask, security said that I had to wear a double mask and I could not enter the market if I didn´t it, but a person entered to the market without a double mask and they let him in. I assumed they didn't know, but it was unfair. I know that we are not allowed to go out without wear a mask, but it was an emergency and I was nervous, but the police didn´t let me go to the vet.
